272 Street Trees Planted & Event Re-Cap

Partners joined in planting one of the last of the 272 trees across the street from Eagle Rock City Hall.

CD14, City Plants, and North East Trees partnered to offer a free fruit tree giveaway.

Young tree lovers take part in the ceremonial planting.

Councilmember Huizar joined with the Bureau of Sanitation and Eagle Rock and Highland Park residents and organizations Saturday morning to celebrate the planting of 272 trees, which for Eagle Rock represents the largest street tree planting effort in 50 years.

Participating organizations in this collaborative effort include the Eagle Rock Neighborhood Council, Take Back the Boulevard Initiative, The Eagle Rock Association (TERA), Collaborative Eagle Rock Beautiful, Historic Highland Park Neighborhood Council, North East Trees and TreePeople. The City's Bureau of Street Services, Urban Forestry Division planted the trees.

Through a grant, Sanitation secured funding to carve out sidewalk trees wells and plant 200 trees –another 72 trees were funded by individual donors. Councilmember Huizar worked with Northeast organizations to map out one by one where the 272 trees would be planted along Colorado and Eagle Rock boulevards in Eagle Rock and Figueroa Street and York Boulevard in Highland Park. Since Sanitation's grant only funded the planting of trees, Councilmember Huizar partnered with neighborhood

organizations to fund Northeast Trees maintaining, caring and watering the trees for more than two years to ensure they stay healthy and robust.

"This was a once in a lifetime opportunity to be able to plant 272 trees in Eagle Rock and Highland Park," said Councilmember Huizar. "But young trees without water and regular maintenance will not survive, so I'm proud to team up with our Eagle Rock and Highland Park community organizations and environmental partners to ensure that these trees will not only survive but thrive for years to come."

Councilmember Huizar also announced Saturday that through his Clean Communities Initiative and a partnership with the Eagle Rock Neighborhood Council and Sanitation, starting this week, 43 Automated Litter Bins (ALBs) will be installed across Eagle Rock.

The 39 trash and four recycling hard plastic bins are more durable and will replace the inferior wire basket bins. The new ALBs will also be added to locations that currently do not have trash bins.

Submit Your Design for Eagle Rock Utility Box Art Project Before Sept. 15th Deadline!

Councilmember Huizar has worked to bring murals to other CD14 locations!

Calling all artists! Councilmember Huizar is proud to partner with the Eagle Rock Neighborhood Council, The Eagle Rock Association, and Department of Transportation to bring utility box murals to Eagle Rock.

Please contact: christina.hulen@eaglerockcouncil.org with LA DOT Art in the subject heading. You will be sent a packet of information that includes the specs for the boxes.

Deadline for submissions has been extended to Monday, September 15th.

For more information, please call (323) 254-5295.

9 The Cedillo Weekly 9/12/14

Fri Sep 12, 2014 10:15 pm (PDT) . Posted by: [asncaalert](#)

Friends,

It's been another busy week in the First District as we head into September with all of the fall events that are beginning to occur around CD1. This week was all about the Department of Recreation and Parks with the 125 Year Anniversary Celebration at Lincoln Park as well as the appointment by city council of Michael Shull as the General Manager of the department.

Also, Team Cedillo have been preparing all week on our free El Grito celebration of Mexican Independence Day at City Hall this Monday. The nights festivities will include a headlining performance by Cristian Castro. This is a free event that is open to the public. I hope you can join us to celebrate the rich Mexican heritage of Los Angeles.

Gilbert A. Cedillo

Councilmember, First District

LEGISLATIVE UPDATE

Michael Shull Appointment

This week the City Council appointed Michael Shull as the official General Manager of the Los Angeles Department of Recreation and Parks. He has been with our city for 20 years and I'm looking forward to working with Michael on future projects to improve access to our parks.

Grant Funding for our Parks

This week the Council authorized the General Manager of the Department of Recreation and Parks to accept and receive the 2013 Housing-Related Parks Program grant award of \$8,221,950 from the CA Department of Housing and Community Development. I am pleased to announce that the First District projects funded are \$2,000,000 for MacArthur Park and \$100,000 for Toberman Recreation Center.

Recognition of Mexican Independence at Council

I was pleased to present before the City Council, the Mexican Consul General, Carlos M. Sada and our El Grito performers, Cristian Castro, Mariachi Divas, and Sonora Santanera "Nueva Sangre" as we recognized the 204th anniversary of Mexican Independence since our city has a rich long heritage between our city and Mexico. I look forward to hosting our own "El Grito" celebration this Monday, September 15 from 7:00 pm to 10:00 pm at the steps of city hall on Spring Street. I hope you can join us.

FIELD UPDATE

My Office works with Coalition for Economic Survival Assists Tenants

My office asked the Coalition for Economic Survival (CES) to assist us at a meeting at the 302-unit Grand Plaza Senior Apartments in Chinatown on Aug 20. Tenants at this low-income government assisted building had received a 5% rent increase in June, which may be illegal. The Chinese-speaking tenants had also received a new lease agreement that was 43 pages and in English. CES' Director of Organizing Carlos Aguilar & Lead Affordable Housing Organizer Joel Montano participated in leading the meeting. Little Tokyo Service Center helped with translation.

Sharon Lowe, a member of Team Cedillo, thanked CES organizers for their help in saying, "You were all great and most definitely helped to put the tenants at ease and helped to de-stress them and put their fears to rest, which was the most important objective of last evening's meeting. They came away knowing they were not on their own, that they had the support of CD 1 and that the City and State were in communications and working on their behalf, and they had CES tenant advocates alongside them to ensure their rights as tenants were protected. They also came away unified and with a constructive action plan."

Celebrating the Mid-Autumn Moon Festival

On Monday September 8, I presented moon cakes to the President and Board of the American Vietnam Chinese Friendship Association in Lincoln Heights. The ancient Chinese observed that the movement of the moon had a close relationship with changes of the seasons and agricultural production. Hence, to express their thanks to the moon and celebrate the harvest, they offered a sacrifice to the moon on autumn days.

Mt. Washington Elementary School Perform

Music students from the Mt. Washington Elementary School performed beautifully at the Mt. Washington Homeowners Alliance community meeting on September 8th. The residents of the Mt. Washington community were surprised and pleased with the fabulous music coming from these talented students. They performed Twinkle, Twinkle, Little Star and the theme song from the Titanic. Good luck to these aspiring music aficionados with their continued success in their music education.

Remembering 9/11

Thursday commemorated the 13th anniversary of the 9/11 attacks on our county. Los Angeles City officials and community members gathered at the Frank Hotchkin Memorial Training Center in Elysian Park to celebrate the lives that were lost on that tragic day. Speakers included Mayor Eric Garcetti, LAFD Chief Ralph Terrazas, LAPD Chief Charlie Beck, and a keynote address from Lt. Paul Geidel, who is a retired fire fighter from New York FD Rescue 1 and lost his son at the World Trade Center. The event was filled with emotions and a reminder to never forget these lives that were so bravely sacrificed.

COMMUNITY CALENDAR

NELAart Artwalk with Highland Park Independent Film Festival

The Greyhound Bar and Grill debuts as a spot on the 2nd Saturday NELAart Artwalk Map this Saturday, September 9th as they team up with the Highland Park Independent Film Festival to screen the cult classic, Reservoir Dogs by Quentin Tarantino. Dubbed the "Greatest Independent Film of all Time" by Empire magazine, the action is set against several Highland Park landmarks. Reservoir Dogs is a fitting first film to screen in the newly formed collaboration between Film Festival and Neighborhood Bar.

NELAart Artwalkers will be able to come in for free and view the scenes of the cult hit while they enjoy the sounds of a DJ spinning themed music to the motion picture soundtrack. Not to be outdone, the mixologists at The Greyhound came up with two themed cocktails for the evening and rightfully so they are the "little green bag" and "Mr. Pink". The screening will begin at 8 pm. The screening and collaboration precedes the 1st Annual Highland Park Independent Film Festival taking place on October 9 through October 12th. The Greyhound Bar and Grill is a title sponsor of this year's festival and will be hosting the opening night ceremonies on October 9th.

Festivities on Oct. 9 will kick off with a red Carpet event at 6 pm to tribute the recently announced exhibition film, "Water And Power" by Richard Montoya. The Highland Theater will open its doors at 7 pm and the screening will start at 8 pm followed by a question and answer with the filmmaker and a mixer at The Greyhound Bar and Grill.

More details about the event and a list of all the films screening in competition and exhibition will be coming soon.

11 #BanTheBag, Ruben Salazar, Mexican Independence Day, and MORE!

Fri Sep 12, 2014 10:23 pm (PDT) . Posted by: [asncaalert](#)

Good morning and happy Friday! I hope you had a wonderful week. I have been very busy the last few weeks. In this newsletter I'll tell you about the new plaque at Salazar Park. I will also tell you about the gorgeous day I had at the East Los Mexican Independence Day Festival! I want to update you on the status of the #BanTheBag movement. I also want to tell you how CicLAvia is linking up with the East L.A. Bike Ride this year! Finally I want to take a look back at September 11th. Enjoy the newsletter, and enjoy your weekend!

—G

Remembering Ruben Salazar

On August 29th, I was honored to join the Department of Parks and Recreation for a very special tribute to Ruben Salazar – which also marked the 44th Anniversary of the Chicano Moratorium! Ruben Salazar was a gifted reporter at the Los Angeles Times as well as KMEX-TV, which ultimately became the Univisión network. He dedicated his talents to sharing with the world what it meant to be Mexican-American in a transformative time and place. His contributions made him an icon in the community — and although his life was cut tragically short, his legacy lives on in the people influenced, inspired and touched through his work. MORE

Let's BANd Together

SB 270 – a Statewide plastic bag ban spearheaded by State Sen. Alex Padilla – passed the State Legislature on Aug. 29. Now it's up to Gov. Jerry Brown to sign this historic legislation! In 2008, I made a motion – and my Board colleagues agreed - to #BanTheBag in L.A. County. In 2012, Councilman Paul Koretz did the same for the City of L.A. So contact Gov. Brown and urge him to sign SB 270 to #BanTheBag in California! MORE

Mexican Independence Day in East L.A.

Mexican Independence Day isn't on Cinco de Mayo as many people think it is—it's actually on September 16th! This year the East L.A. Mexican Independence Day Parade was held on September 7th and I had an amazing time. It was a gorgeous afternoon -- and there were so many people! I have been participating in this parade over the last 23 years and each year, I

enjoy it more than the last. MORE

Bike Loads of Fun!

Hundreds of LA County residents look forward to the East LA Bike Ride every year and this year will be extra special as we link up with CicLAvia to connect more neighborhoods for this special open streets event. This was all made possible thanks to extra funding from Metro as part of a program spearheaded by Mayor Eric Garcetti and myself, this year. The CicLAvia route extension – called the “Heart of LA” –will connect Echo Park, the Historic Broadway Theater District, Boyle Heights, and unincorporated East L.A., where it will link up to the 2014 East L.A. Bike Ride! MORE

Looking Back: September 11th

It was 13 years ago yesterday that America was attacked, and some would say, changed forever. On September 11, 2001, the Twin Towers fell, the Pentagon was hit, and the brave passengers of Flight 93 sacrificed their lives in the fields of Pennsylvania to protect others from being hurt or killed. Our nation was shocked. But we have proven that when America falls down, we get back up. MORE
